The Journal of Multilingual Education Research (JMER) is a publication of the New York State Association for Bilingual Education. Its distinct orientation reflects what is most important to researchers, specialists, and educators in the field of multilingual education. JMER is a vehicle to respond to the changes and growth of knowledge in a variety of national language education issues that have local and regional relevance. It responds to the emerging needs and interests of teachers, administrators, teacher educators, researchers, counselors, psychologists, advocates, and community leaders whose work focuses on the successful education of multilingual students.
